

Team building and corporate volunteering opportunities at Emmaus Bristol 2019

Emmaus Bristol helps homeless people by providing a home and work experience so that they can re-build their lives in a stable, welcoming and encouraging environment, gain valuable employability skills and get the support they need. We welcome volunteers from businesses to help us improve life for the people we support, and in so doing, providing a great team building activity too.

Why do we charge for team volunteering? We are a small, local charity with a small staff team. As well as needing lovely volunteers to help us with projects, we also need the resources to make the projects happen, whether that's bags of compost, tins of paint, or extra staff for the day to help lead a group.

We can also order in lunch for your group at £7/ person or you can bring or order in your own.

Warehouse work-out	9:30 to 16:30	5-25 people	£200 for up to 15 people and £20/person for additional.
---------------------------	----------------------	--------------------	--

This is a great project for a team wanting to make a visible impact. With a collection van out picking up donated furniture all day Monday-Friday, the warehouse gets jam-packed and periodically needs a good sort-out.

Your team, led by a staff member and companions, will be moving stock around, arranging and sorting it to make it easier to see what we've got, and to send it out to our shops.

Benefits to your team: a fun physical task that encourages good team work.

Benefits to Emmaus Bristol: Around half of our income comes from our shops and all of our income helps to support people out of homelessness. By helping sort the warehouse you'll help us by making it more efficient, so that we can sell more items.
